March 21st 1904

Mess Chapman Bros
Dear Sirs:

I have just purchased a lot of old Hungarian Bank notes of Louis Kossuth printed more than 50 years ago. I have had stray samples of these notes from time to time which I have retailed at 25¢ each, but now I have got a lot of them of course I will sell them cheaper and offer you either of the 4 varieties at $10.00 per 1000 notes. Some or all of these notes named have been offered to Wakely who I don't not named to call & buy them but I have no dealings with him.
Let me know what you can handle to run out of some of the varieties.
You will notice there are 3 or 4 serial letters different in each sheet. They come in sheets and might be sold that way at 25¢ per sheet or $1 per set of 4 sheets

Yours
